The first stage of development will be the demolition of the former Maryland Book Exchange store.

The student housing development will add 287 units (a maximum of 855 beds) to downtown College Park in fall 2015. On the ground floor of the six-story building will be 13,844 square feet of retail including the relocated Maryland Book Exchange, which closed its location on site this summer.

Per the developer's website, CVS Pharmacy will serve as the retail anchor on the corner of Route 1 and Berwyn House Road. This will be their second location in College Park, as they occupy a space in downtown at the College Park Shopping Center. The remaining retail spaces are still available at this time.

The Courtyard Marriott will join over 1,000 existing hotel rooms on the Route 1 Corridor in the city. The vast majority (875) of these rooms were built prior to 1990.

The project is expected to open in 2015.
